Tourism Loops

Lumberjack Loop (145 km)

The 145 km Lumberjack Loop takes snowmobilers through Moonbeam, Kapuskasing, Val Rita-Harty, and Opasatika, following the popular L123 trail. This route showcases the area's logging history, with trails through hydro corridors, old logging roads, and tree-lined paths. Watch for wildlife like lynx, moose, wolves, foxes, and rabbits along the way. The quieter southern stretch runs close to Highway 11, keeping food and fuel within easy reach.

The route starts in Kapuskasing on the A trail, heads west to L147, continues on TOP A West, loops through L123 in Moonbeam, follows L135, and returns via TOP A West to Kapuskasing.

Missinaibi Expedition Tour (165 km)

The Missinaibi Expedition Tour offers a 165 km snowmobiling adventure along the historic Missinaibi River, once the main fur trade route between Lake Superior and James Bay. Starting in Hearst, this route winds through northern woodlands, past Mattice, with prime opportunities to spot moose and wolf tracks - so keep your camera handy! Ride some of the top trails in the province and immerse yourself in this scenic and historic landscape.

The tour follows TOP A to L159, L169, L163, L165, and continues through Mattice before connecting back to TOP A in Hearst.
